## Prince Charles' NEIGHBOURHOOD WATCH

### Spring / Summer Safety At Home...

All spring and summer long people are outdoors working on projects like lawn care, hosting barbecues or relaxing in the backyard. It can be easy to forget to close a door or window, but if they are left open it creates an easy opportunity for a burglar. Garage doors, in particular, are regularly used by criminals to gain access to a home during the warmer months. People go outside to do yard work and forget to close the garage door. Criminals may steal items from the garage itself, which usually contains tools and other valuable belongings, or use it as an easy way to get into your home. Once inside, the law breaker can grab an armful of things quickly and run off without ever being noticed.

Some criminals will work together during the warmer months. One will come to your door and distract you, while the other sneaks into your garage, back yard or home to take whatever they can grab. Be wary of anyone who approaches your front door and don't let them take up too much of your time. Every year thousands of burglaries occur all over Canada. Teach your family how to guard themselves and their property and do what you can to ensure a safe and happy spring and summer for everyone.

Thinking that it can only happen to someone else and doing nothing to prepare yourself or take precautionary measures just in case makes you the perfect victim criminals are looking for.

The idea of a Play Street is to bring neighbours together and allow use of a space within the neighbourhood not naturally inviting for celebration or play.

Play Streets allow neighbours to play together in residential streets closed off to vehicle traffic. The City supports Play Streets through planning, operational and permitting support.

# The Prince Charles Park's resurfacing...

Just wanted everyone to be aware that the rubber we are hoping to install is made out of recycled tires and has no smell.

Also, in warm or hot weather, it does not get hot on your feet.

A great park that has this surface is Inglewood on 127 Street; check it out!

Thanks for your support...

## A Pot on Every Porch...

The turn-out for "A Pot on Every Porch" was great !! I want to thank Kuhlmann Greenhouse once again for the beautiful flower, herbs and hanging baskets. Thirty-three people entered to win the two hanging baskets and the winners were Taiyla Schutz and Wade Bigcharles . I would also like to thank Lise Caulette (for picking the names), Ben and Keri Crawford (for the kids' Corner), Tristan (tool library), the volunteers from the city (recycle ,compost, eco station) and last but not least Chris Van Alstine and my husband Tracy Pollard who manned the community table (park survey, NW, membership and sign up for garage sale). Thank you all for volunteering and coming out!!
